

## COUNTY COUNCILLORS REPORT – DECEMBER 2013

### THE FORMER BRYNEITHIN EMI CARE HOME

I have obtained a copy of the result of the Consultation Report regarding the future use of the site. Copies are available.

### ST. CYRES SCHOOL

Following the disappointing Estyn Inspection the Vale Council has requested an ‘Individual School Progress’ Meeting with representatives of the Governors. The purpose of the Meeting is to establish that there are up to date and authoritative plans in place to address concerns that the School has arrangements in place to monitor the impact of the plans, to amend them as appropriate and to establish what progress has been made and what further progress is required.

### MILL ROAD ACCIDENT

Following the 7 car accident along Mill Road near the junction with Greenfield Avenue on Sunday we have requested that the Highways Department undertake a detailed investigation into the incident.

### CROSS COMMON ROAD BRIDGE

The Cabinet has allocated £650,000 for remedial work to the Bridge. We await the final report to Cabinet and hope to give an update to Council.
