Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Dinas Powys Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

In my opinion, the Accounting Statement does not properly/fairly present the Council's receipts and payments/income and expenditure and financial position:

- The Council has not provided a complete explanation for significant variances within the year. The Council did not ensure that the total unexplained variance for line 3 (total other receipts) was within 15% of the previous year's figure.
- We were not provided with the contract for one employee and were therefore unable to determine whether their pay was in accordance with their contract.

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 3: The Council has not provided evidence that a budget has been set in accordance with the Local Government Finance Act 1992 and that the precept has been set in line with the budget. The Act requires the Council to consider its level of reserves, estimated expenditure and estimated income when setting its budget requirement. We recommend that the Council sets a budget in accordance with the relevant regulations and codes of practice. Furthermore, the Council must approve the precept within their minutes.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Agendas do not contain supplementary documentation

The agendas do not contain supplementary documentation. We recommend that the agendas contain the supplementary documentation for inspection by the public.

There are no further matters I wish to draw to the Council's attention.
