

The council tax rise has increased to 5.9%. In addition, many services are being cut or reduced. Car parking charges hare being extended.

NIC

Although additional NIC paid on staff is being reimbursed that is not necessary the case for organisations serving the council. This can included care workers, agency staff and contractors. It is unacceptable that so late in the day that councillors face the threat of additional costs.

Cosmeston

There are proposals for Water Sports at Cosmeston. The exact nature of the activities is unclear. The relevant company is moving from Cardiff Bay apparently due to the nature of the water quality in the Bay.

Litter Bins

Yet more litter bins are being removed in the new financial year.
