DINAS POWYS COMMUNITY COUNCIL LITTER BINS

Yearly Charge £3752.20 per annum

Weekly charge £72.16

NB: Price may increase in April 2025

Council is not charged per bin. Bogda set up an arrangement with VOG Waste Management via Tony Spear approximately 5 years ago

Tony Spear, at Waste Management is happy to review the bin collection – or if councillors think they may have a better idea to let Tony Spear know. (may end up paying more)

NNB: as well emptying the litter bins, the men also clear up bags/rubbish that has been left on the floor around the bins.
